On January 29, 2014, within the framework of the International Renaissance Foundation project, the International scientific and practical conference "Legal principles of the Bologna process in Ukraine" was held in cooperation with the National Aviation University, where the legal framework of Ukraine regarding the implementation of the provisions of the Bologna process was discussed, the experience of the Quality Assurance Agency for Higher Education was also presented. Materials of the monograph were sent to the libraries of higher educational institutions of Ukraine.

We invite the community to use the materials of the conference: monograph "Legal principles of the Bologna process in Ukraine"
